

R33LZ doesn't allow content that endangers the emotional and physical well-being of minors. A minor is defined as someone under the legal age of majority -- usually anyone younger than 18 years old in most countries/regions.

If you find content that violates this policy, report it. If you believe that a child is in danger, you should get in touch with your local law enforcement to report the situation immediately.

Instructions for reporting violations of our Community Guidelines [are available here](#). If you've found multiple videos or comments that you would like to report, you can [report the channel](#).
