

Terms of Service

This is R33LZ 's Terms of Service

Article 1: Purpose

The purpose of this document is to inform rights, obligations and responsibilities between R33LZ ('Company') and members and other necessary matters in connection with the use of R33LZ ('Service').

Article 2: Definition of Terms

The terms used in this document are defined as follows:

1. "R33LZ " ('Service') refers to a video platform that allows "members" defined as "creators" to upload or share videos through various digital devices or software (such as PCs and mobile devices). "Members" are able to participate through comments or replies while watching videos.
2. "Members" refer to those who have access to the "service" and who agreed with the terms and conditions provided by the "company".
3. "ID" ('Account') is an email address which is designated by "member" and approved by "company" to distinguish itself from other "members" when using the "service".
4. "Users" refer to both "members" and "non-members" who have access to "service".
5. "Channel" refers to a private platform space where "members" can post and store their own videos.
6. "Creator" means "members" who post their own videos on their "channels".
7. "Storage Providers" refer to "members" who store videos of "creators" instead of "company" and transmit them for "members" to watch.
8. "Wallet" refers to a place where you can store and deposit R33LZ coins earned as a reward for using the "service."
9. "Cryptocurrency" ('Coin', 'R33LZ Coin') refers to digital currency by which "members" may deposit or withdraw using their "wallet".
10. "Blockchain" refers to a technology implemented by "company" to use "R33LZ coins" in a fair and transparent manner.

Article 3: Posting and Revision of Terms of Service

1. Company posts the contents of this terms of service on the front page to make it easier for members to see.
2. Terms of service shall become effective by disclosing the service agreement provided by company to members and may be amended within the scope of the related statutes if reasonable reasons arise. The revised terms and conditions which includes changes such as important regulations, rights or duties of users, are announced in advance. In addition, if the terms and conditions change, company shall disclose them immediately.
3. If company revises this document, the service notifies the amendment details and the application date 7 days in advance. However, in case of changes that may be disadvantageous to members, they shall be notified 30 days in advance.
4. In the event if a member would like to express concerns or opinion regarding the changes to terms of service, it must be done on before end of the effective day. If no member expresses

opinions to the terms of service, it would imply that members agree to the revised terms of service.

5. If members do not agree to the revised terms and conditions, members can express their objection to company before end of the effective day and/or terminate their accounts.

6. In addition to these terms and conditions, company may inform or obtain consent from members by setting up separate notices, individual agreements, operation policies, and detailed guidelines for the service ("Guide"). Detailed instructions shall apply in priority if the contents of the detailed guidelines conflict with the members' consent. Details or interpretations of matters or interpretations not set forth in this document shall be followed by detailed guidelines and related statutes.

Article 4: Creating an Account

1. Users shall become members by filling out the application form (specified by company) and agreeing to the terms and conditions.

2. Company allows members to pick their own nicknames when signing up. However, if the member's nickname is found to be in violation (copyright), member will be asked to change the nickname.

3. Company may check member's information if necessary (information such as posted videos). If a member is found guilty of stealing other's contents. Company shall delete member's channel and member will be penalized according to the relevant statutes.

Article 5: Approval or Refusal of Membership Application

1. Company approves applications according to the order of reception when there is no disruption in the performance of the service under the provisions of Article 5.

2. The company does not accept the following cases:

- ① In case of an applicant who used another person's information
- ② In case of applicant who falsified information or omitted important details
- ③ In case of using this service for purposes that are detrimental to the social order
- ④ In case a child (under age of 14) has not obtained a consent of a legal guardian (parent, etc.)
- ⑤ If an application is made in violation of rules

3. Company will withhold the approval of application during the following scenarios:

- ① Company does not have enough equipment
- ② Company has technical difficulties
- ③ Other reasons when it is difficult to approve the applications

Article 6: Change of Information

1. Members can access and modify their personal information at any time. However, the ID (email address) and phone number required for service management cannot be modified.

2. Member who created their own channels cannot modify date of birth in accordance with the company's operational policy.

3. Members are able to modify their information directly in the service or by contacting company through 'Help Center'.

4. Company shall not be held liable for any disadvantages caused by the member's failure to notify company of the changes mentioned earlier.

Article 7: Management of Information

1. Company may restrict the use of certain nicknames if they contain other people's personal information, violate social norms, infringe on the rights of third parties, or may be mistaken for the company or the company's operator.

In addition, company may restrict the use of certain nicknames if company recognizes it is necessary to do so based on reasonable judgment.

2. If the account and password registered by the member are identical to the ones registered with the company, company considers user to be a member without a separate verification procedure.

3. Members shall be responsible for keeping all information necessary for access to the account, including the password, in order to prevent unauthorized third parties from accessing their accounts.

4. Member shall immediately notify company of the loss of account access information, theft or disclosure to a third party. Company will immediately suspend the use of that account.

5. Company shall not be held liable for the loss, theft or disclosure of access information, such as the member's account password. However, this does not apply to cases where the company was at fault.

Article 8: Service Usage

1. Users who wish to join as members apply for membership by agreeing to this document and the provision of personal information collection in accordance with the procedures set by the company.

2. Company can restrict the use of certain services to minors to comply with age restriction in accordance with the Youth Protection Act.

3. By design, the service hours shall be 24 hours (00:00-24:00) per day, year-round, except in cases where the company cannot use the service for certain technical reasons. Company can also set date and time for regular inspection of the service facilities (by dividing the service into specific ranges).

4. Member can create a channel or provide storage by entering additional information in accordance with the operation policy and procedures set by the company. Company will then approve the contract to become a content creator or storage provider.

5. Creators are authorized to receive encrypted rewards by posting and sharing their own videos.

6. Storage providers are authorized to receive encrypted rewards by providing their storages for storing videos.

7. By watching a video, a member has the right to obtain a reward set by the content creator.

8. Members agree that the company is not responsible for changes in the price of the cryptocurrency. In the event of an interruption of a cryptocurrency market or an unavoidable event, such as Article 19, the company may take one or more of the following actions and shall not be liable for any loss due to such actions:

① Discontinuing access to the service

② Interrupting all activities in the service

Article 9: Notification of Service Content Change

1. In the event of service content change or if the service is terminated due to reasons such as launch of a new service, company will notify about changes or termination of service contents through e-mail or other communication methods.

2. In the event of notification, members will be notified through service homepage or

announcement board. However, transactions of the member shall be notified in advance and individually in accordance with the method prescribed in the following article 10.

Article 10: Fees

1. Members shall pay a fee set by the company when withdrawing cryptocurrency (R33LZ coins) from the wallet provided by company.

Article 11: Responsibilities of Members

1. Members shall not perform any of the actions mentioned below. Company may restrict member's use of the service and/or take other legal actions.

- ① Entering false information when signing up or changing information
 - ② Posting contents without the permission of copyright owner or using the service to replicate, publish, broadcast, or providing to third parties (without prior consent from the company)
 - ③ Violating the rights of a company or a third party, such as posting false information about a third party in the service or infringing on intellectual property rights (copyright)
 - ④ Stealing R33LZ ID or password of another member
 - ⑤ Using the payment information of another member such using wallet address without the permission of owner
 - ⑥ Posting or sending spam email/material, or encouraging people to join the pyramid scheme.
 - ⑦ Posting videos containing violent scenes, images, voices, etc. or disclosing information that might seem immoral.
 - ⑧ Posting illegal information (such as computer programs/applications) that is prohibited by the relevant laws, such as the Information and Communication Network Act
 - ⑨ Posting unrestricted media for minors as stipulated by Youth Protection Act
 - ⑩ Sharing information, comments, voices, videos, etc. that might violate the public order or customs.
 - ⑪ Impersonating company's employee or insulting another member.
 - ⑫ Posting data containing software viruses, computer codes, files and programs designed to disrupt or destroy the operation of member's computer software, hardware, or telecommunications equipment
 - ⑬ Disrupting other members from using the service peacefully (such as stalking, swearing, and posting mean comments)
 - ⑭ Collecting, storing and disclosing personal information of other members without their consent
 - ⑮ Posting advertisements without the consent of company
 - 16 Reversing, decompiling, and disassembling software provided by company
2. Failing to comply with the current terms and conditions, privacy policy, and other notice of company's use of the service
3. In the event that an adult certification is required according to the relevant laws or regulations, members shall provide their real-name to company in accordance with the method provided by company for use of the service.

Article 12: Video Management and Copyright

1. Copyright of the posted contents in the service by the members belongs to the authors of content

2. Posted videos may be exposed to search results, services and related promotions, and may be edited, duplicated, and published. In such cases, company will comply with the provisions of the Copyright Act and will take actions such as deletion and/or exclusion of videos in search results

3. Company tries its best to protect the rights and interests of copyright holders by establishing a copyright protection system. If a member is recognized by company as a legitimate copyright holder (at the request of a member), company will provide the copyright holder with a service to manage the videos.

Article 13: Restrictions of Service

1. Company may restrict or suspend some or all "service" for "members" in the event of any of following reasons:

- ① In case members interferes with the operation of service
- ② In case members violates Article 11
- ③ During inspection or repayment of service facilities
- ④ If service use is disrupted due to a national emergency, service facility failure, or a huge surge in service use;
- ⑤ During other reasons when the company is not able to continue providing service

2. In the event that the company restricts members' service use under paragraph 1 or 2 of the previous article, company may restrict the use by warning, temporary suspension, or permanent suspension, and may immediately suspend the use for any other serious violation of the relevant statutes. Specific criteria regarding the type and duration of restrictions and methods of restrictions shall be as provided in R33LZ operation policy.

3. In the case of permanent service suspension, member's account will be suspended along with all of member's other R33LZ accounts which are identified through the process of identification. Suspended member will not able to use service under any R33LZ accounts.

4. If company restricts the use of service to a member in accordance with provisions of this section, member shall be informed of the reasons, the contents of the restriction, and the period of limitation in accordance with Article 9. If a member who has been restricted from using the service, terminates the account during period of service restriction and re-enrolls in the service again after restriction period is over, some restrictions may still be imposed on the service use in accordance with R33LZ operation policy.

5. If company decides to terminate the service contract of a member, company will notify member in accordance with the method prescribed in paragraph 1 of Article 9, and member shall have the opportunity to appeal the termination within seven days of receiving the notice of termination.

Article 14 Termination of service contract

1. If a member intends to terminate the service contract, member's account can be easily deleted at any time according to the procedure set by the company in member's account settings.

2. If the service contract is cancelled, all posted contents by a member in the service will be deleted. However, those contents may not be deleted immediately if it necessary for normal service use by other users, such as when it is shared by a third party.

3. Company will not allow cancellation of the service contract if there is a cryptocurrency (R33LZ coin) balance remains at member's wallet.

Article 15: Precautions for Service Use

1. If the amount of cryptocurrency (R33LZ coin) available in member's wallet falls short of the transaction amount, company will cancel the entire transaction or fulfill partial order corresponding to the member's balance.
2. Company may discontinue the service entirely due to significant management reasons such as transfer of operations to another company, division or merger, expiration of contracts with important affiliates, and significant deterioration of the service's profits. If such case occurs, members shall be notified of the date of the suspension, reasons for the suspension, and methods for withdrawing members' cryptocurrency holdings as prescribed in paragraph 1 of Article 9.
3. Company may change the use of Blockchain technology of cryptocurrency (R33LZ coins) if there is a reason for the inevitable interruption of the service provision, such as termination of the cryptocurrency exchange, and government's policy or intervention. Company will make reasonable efforts to inform members in advance of the change in the use of Blockchain.
4. Company may apply for a new blockchain cryptocurrency exchange in accordance with its operation policy.

Article 16: Acquiring of cryptocurrency (R33LZ coin)

1. In order to acquire cryptocurrency (R33LZ coin), one must create a R33LZ account and verify phone number.
2. Cryptocurrency (R33LZ coin) can be acquired by completing certain activities such as watching videos uploaded by other members in the service or participating in certain events.
3. Members can check their balance of cryptocurrency (R33LZ) in wallet provided by service.
4. Cryptocurrency (R33LZ coin) is transferred using blockchain specified by company, and the transaction cannot be manipulated due to the nature of Blockchain technology.
5. If there is a discrepancy between the amount of cryptocurrency (R33LZ coin) entered in the blockchain and the amount of cryptocurrency on member's wallet, the value of the blockchain will always be right.
6. Members must pay fees for cryptocurrency transactions.
7. Cryptocurrency (R33LZ coin) shall not be the object of inheritance, loan, or mortgage. Exceptions are made if allowed by the company.
